

早くも超大反響!!

The Demon  
Headquarters,  
Demon King  
Castle.

Yeah!  
We're  
cleaning in  
the name  
of the  
Policing  
Squad!

What'd  
they/P No  
more dirt  
and debris,  
right/P

Although  
they captured  
the Princess  
from the  
human lands,

they had  
a life there  
besides  
simply  
fighting...

Slaughter: Mohret

Glow: Wisp

Good, the  
Surveillance  
Squad for the  
Princess must  
have it nice. It  
looks seriously  
comfortable...

We can't  
overlook  
a single  
stain or  
scratch.

The policing  
started this  
year since the  
princess is  
living again for  
the first time  
in a hundred  
years.
